SUBJECT: **CONTRACT COMPLETION NOTICE –
BARBARA MORSE WACKFORD COMMUNITY/AQUATIC COMPLEX**

RECOMMENDATION:

That the Board accept the contract for the construction of the Barbara Morse Wackford Community/Aquatic Complex as complete and ratify the signing of the Contract Completion Notice by the General Manager.

BACKGROUND/ANALYSIS:

On September 17, 2002, the Board approved a contract for construction management services with Rudolph and Sletten for the Barbara Morse Wackford Community/Aquatic Complex. The project came in within its approved budget including contingency of \$17.5 million. I want to commend Staff and Rudolph & Sletten for a fantastic job. To bring a project of this magnitude within budget is an impressive accomplishment.

With the grand opening and dedication celebration of the Community/Aquatic Complex held on August 28, 2004, the District has accomplished a milestone more than a decade in the making. The new complex provides a state-of-the-art facility, offering programs for children and adults to imagine, learn, and play. The opening also paves the way for a significant expansion of the District's recreation program offerings and much needed rental facilities for the enjoyment of residents in the Elk Grove community.

Should you have any questions, please contact me prior to the Board meeting.

Respectfully submitted,

Rita K. Velasquez

SUBJECT: APPROVAL OF RESOLUTION 2004-108, GRANTING A DRAINAGE EASEMENT TO THE CITY OF ELK GROVE FOR THE HOFFMAN MEADOWS SUBDIVISION IN THE EAST FRANKLIN AREA, ADJACENT TO THE QUAIL RIDGE PARK SITE

RECOMMENDATION

That the Board of Directors approve Resolution No. 2004-108, granting a drainage easement to the City of Elk Grove for the Hoffman Meadows subdivision in the East Franklin area, adjacent to the Quail Ridge park site.

BACKGROUND/ANALYSIS

The Hoffman Meadows subdivision in East Franklin (Exhibit A) has been conditioned by the City of Elk Grove to install an underground drainage pipe to the existing storm drain on Bilby Road, which the City will maintain. This condition was added after the subdivision map had been drawn and would require removing a home lot to make this connection. As an alternative, the developer contacted the CSD to discuss a 20-foot wide drainage easement in the future Quail Ridge park site (Exhibit A-1 and A-2). In exchange for the drainage easement, the developer would pay the CSD \$5,000.

Staff determined this easement would be in a planter area of the park which backs up to a home. The easement would not impact the active use area of the park once constructed. Therefore, staff is recommending acceptance of the easement.

The attached resolution and easement are for your approval.

Respectfully Submitted,

David Wigginton, Administrator

RESOLUTION OF THE BOARD OF DIRECTORS OF THE ELK GROVE COMMUNITY SERVICES DISTRICT GRANTING A DRAINAGE EASEMENT TO THE CITY OF ELK GROVE AT THE QUAIL RIDGE PARK SITE APN: 132-0020-137

WHEREAS, the City of Elk Grove (City) has required the developer of the Hoffman Meadows subdivision to install a drainage pipeline for this project; and

WHEREAS, the developer has negotiated with the Elk Grove Community Services District (District) to install the drainage pipeline in a drainage easement on the adjacent Quail Ridge park site; and

WHEREAS, the District is in receipt of a Drainage Easement between the District and City for ongoing maintenance of the pipeline,

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the Elk Grove Community Services District grant the Drainage Easement at the Quail Ridge park site with the City.

SUBJECT: **APPROVAL OF QUITCLAIM DEEDS AND RESOLUTIONS 2004-109 AND 2004-110, RELINQUISHING OWNERSHIP OF CHANNEL TRAILS IN THE EAST FRANKLIN AREA**

RECOMMENDATION

That the Board of Directors approve relinquishing ownership of channel trails according to the previously approved East Franklin Specific Plan, by means of:

- 1) A Quitclaim Deed and Resolution No. 2004-109, for Lot H of the Southmeadows Unit 1 subdivision; and
- 2) A Quitclaim Deed and Resolution No. 2004-110, for Lot I of the Elk Grove Meadows Unit 3A subdivision.

BACKGROUND/ANALYSIS

Among other things, the East Franklin Specific Plan identifies ownership and maintenance responsibilities of channel sections, buffer areas, and trails in East Franklin (Exhibit 1). The CSD is responsible for maintaining the landscape buffers and the trails, but is not the owner. Developers were to deed these areas to the Sacramento County Water Agency (SCWA), and now to the City of Elk Grove who has taken over responsibility from SCWA.

The developers mistakenly deeded two channel trail areas to the CSD – Lot H of the Southmeadows Unit 1 subdivision, and Lot I of the Elk Grove Meadows Unit 3A (See attached maps). To correct this developer error, the CSD needs to provide a Quitclaim Deed to each developer. Thereafter, the developer will correctly deed these areas to the City.

The resolutions and Quitclaim deeds are attached for your approval. Please contact me if you have any questions.

SUBJECT: APPROVAL OF DEED RESOLUTION NO. 2004-111 ACCEPTING A QUITCLAIM DEED FOR HREPICH PARK IN THE EASTERN ELK GROVE AREA

RECOMMENDATION

That the Board of Directors approves the attached resolution accepting a Quitclaim Deed for Hrepich Park in the Eastern Elk Grove Area.

BACKGROUND/ANALYSIS

In June of 1997, the CSD Board accepted and recorded a deed for Hrepich Park from Capital Reality Advisors Corporation (Exhibit A). Recently it came to our attention that Beazer Homes took ownership of this parcel before the CSD recorded the deed, but the CSD was never notified of this ownership change. It was always the intent of Beazer to grant this park site to the CSD.

To finalize the transfer of property to the CSD, Beazer has prepared a Quitclaim Deed. Should you have any questions, please contact me prior to the Board meeting.

RIGHT OF WAY TO SUREWEST TELEVIDEO**

RECOMMENDATION

That the Board of Directors approve Resolution No. 2004-112 granting a right of way to SureWest Televideo for the installation of a remote terminal within the landscape corridor on Franklin High Road north of Jeffen Road.

BACKGROUND/ANALYSIS

SureWest is requesting a twelve and one-half-foot by fifteen-foot right-of-way on Franklin High Road north of Jeffen Road for the purpose of installing a remote terminal to supply cable television services to the residents within East Franklin. **This area is within an existing Public Utility Easement.**

Staff has discussed SureWest's request with the Sacramento Cable Commission and has determined that SureWest does have a license to install cable television equipment within PUEs within the Elk Grove area. SureWest has agreed to work with the District to install appropriate landscaping around the facilities so as to minimize the visual impacts of the facilities.

Legal counsel has reviewed and approved the attached Memorandum of Use of Easements and Public Rights of Way.

Attached are the resolution and memorandum of use of easements and public rights of way for your approval.

SUBJECT: COMMUNICATIONS SITE LEASE AGREEMENT AND RADIO TOWER FOR STATION 72R

RECOMMENDATION:

That the Board approve the Communications Site Lease Agreement between The Elk Grove Community Services District and Pacific Bell Wireless, LLC for Station 72R and authorize the General Manager and/or Fire Chief to execute the Agreement as shown on Attachment "A" once the project is approved by the Elk Grove City Planning Commission.

BACKGROUND/ANALYSIS:

The agreement between Pacific Bell Wireless, LLC and the Elk Grove Community Services District allows Pacific Bell Wireless, LLC to build a mobile/wireless radio communications tower at Station 72's new location at 10035 Atkins Road in East Franklin. This agreement provides for the installation of a radio tower that was previously approved by the City of Elk Grove Planning Commission for Fire Department use only. Pac Bell is offering to redesign our tower to hold their equipment in addition to ours. Also, they will provide the tower and installation at no cost to the CSD - a savings of approximately \$24,000.

Once the Board agrees to the site lease, it will be re-submitted to the Elk Grove City Planning Commission for review as a joint use facility. Pacific Bell Wireless, LLC will pay \$500 per month in rent and the agreement includes inflationary increases.

The attorneys representing each agency have reviewed and approved the agreement.

SUBJECT: EAST LAWN RECREATION TRAIL EASEMENT

RECOMMENDATION

- 1) That the Board appropriate \$2,500 for the legal description and plat to complete the Recreation Trail Easement across East Lawn Cemetery property that will provide Camden Estates residents access to the trail system along Laguna Creek.
- 2) That the Board approve the Grant of Relocatable Landscape Maintenance and Recreation Easement prepared by Don Davis and authorize the General Manager and the Board President to sign when the legal description is added.

BACKGROUND

In summer 2003, East Lawn Cemetery owners informed the CSD of an issue with Camden Estates residents trespassing across East Lawn Cemetery property to access the trail system and Underwood Park (See Exhibit A for location). The trail access in Camden Estates is blocked with a wrought iron fence, though people continue to climb over, under and through the fence. The CSD has received numerous requests from residents to open this trail connection that would provide approximately 300 households access to the trail system.

East Lawn Cemetery property owners are agreeable to granting the CSD a 25' wide easement. If the easement is accepted, the CSD would install post and cable fencing, make trail improvements and post signs in the near or long term future. During the initial field visit staff determined that there will be environmental issues to address in order to install a paved trail. Due to this, an alternate plan would be to provide a seasonal trail that would include clearing a path and leaving the area in its natural state. Exhibit B details the estimated expenses of a year-round paved trail in comparison to a seasonal trail.

Don Davis has prepared the easement document (Exhibit C). Staff delayed proceeding with the legal property description and plat until further board direction was received. The cost for the engineer's work on the legal description and plat will not exceed \$2,500.

This is one of two easements being discussed with East Lawn Cemetery owners. The second is a potential east-west easement following the Laguna Creek. This is a key connection to the Laguna Creek trail that the CSD has been pursuing since 1988. Discussions will continue with East Lawn Cemetery property owners including negotiations to purchase a portion of the easement with potential future grant funding.

SUBJECT: **RESOLUTION SUPPORTING PROPOSITION 1A
PROTECTING LOCAL GOVERNMENT FUNDING**

RECOMMENDATION:

That the Board approve Resolution No. 2004-113, supporting Proposition 1A, Protecting Local Government Funding, on the November 2004 ballot.

BACKGROUND/ANALYSIS:

As the Board is aware, the State has shifted property tax revenues from local governments, including the EGCSO, since 1992. As of this year, the EGCSO has lost approximately \$11 million that could certainly have been used to increase local services to our community, where the funds were generated.

You are aware that the State will be shifting additional property tax revenues from local governments for the next two years in order to balance their budget. Staff has included a provision for this in the approved updated Figure 11 of the CSD Master Plan.

As part of that agreement reached between the Governor, Local Governments and the Legislature, a constitutional measure that would protect local governments' property tax revenue was to be included on the November 2004 ballot.

Due to the enormous impact the current and recently approved revenue shifts have on the EGCSO, staff feels it is important for the Board to formally support Proposition 1A, "Protecting Local Government Funding" by adopting the attached resolution.

For your reference, attached are the Ballot Title and Summary, The Facts About Proposition 1A, and Frequently Asked Questions About Proposition 1A. Should you like a copy of the entire bill please let me know and I will provide it.

**ELK GROVE COMMUNITY SERVICES DISTRICT
RESOLUTION NO. 2004-113**

A RESOLUTION SUPPORTING PROPOSITON 1A

WHEREAS, state government annually seizes more than \$5.2 billion in local property tax funds statewide from cities, counties and special districts, costing local governments more than \$40 billion in lost revenues over the past 12 years; and

WHEREAS, these continual shifts and raids by the state of local property tax funds and other funding dedicated to local governments has seriously reduced resources available for local fire and paramedic response, law enforcement, public health and emergency medical care, roads, parks, libraries, transportation and other essential local services; and

WHEREAS, these funding raids also add pressure for local governments to increase fees and taxes to maintain basic local service levels; and

WHEREAS, this drain of local resources has continued even during periods when the state's budget has been overflowing with surpluses; and

WHEREAS, Proposition 1A is an historic measure that will appear on the November 2004 statewide ballot that would limit the State's ability to take and use local government funding; and

WHEREAS, by protecting local government funding, Proposition 1A would protect local public safety, healthcare and other essential local services; and

WHEREAS, Proposition 1A will not raise taxes and, in fact, will help reduce pressure for local fee and tax increases by limiting state raids of local government funding; and

WHEREAS, Proposition 1A does not reduce funding for schools or any other state program or service, and Prop 1A was carefully written to allow flexibility in the event of a state budget emergency; and

WHEREAS, Proposition 1A is supported by a bipartisan, diverse coalition including Governor Schwarzenegger, Democrat and Republican leaders, local government officials, public safety representatives, healthcare, business, labor and community leaders.

NOW, THEREFORE, BE IT RESOLVED BY THE Board of Directors of the Elk Grove Community Services District that we hereby express strong support for Proposition 1A, the statewide ballot initiative that will prevent the state from further taking local government revenues; and

RESOLVED FURTHER, that the Elk Grove Community Services District officials and staff are authorized to provide impartial informational materials on the initiative as may be lawfully provided by this local government's representatives. No public funds shall be used to campaign for or against the initiative; and

RESOLVED FURTHER, that we will send a copy of this resolution to Yes on 1A - Californians to Protect Local Taxpayers and Public Safety. Fax: 916-442-3510 or 1121 L Street, #803, Sacramento, CA 95814
